MONTE BERNARDI CHIANTI CLASSICO RISERVA

2009: a cut above superior (17.0 pts)

Drink 2013-2020. Concentrated ruby with broader orange-tinged rim. There is the typical richness of the 2009 vintage but it is altogether finer and less upfront than most of the Riservas. Lots of extract but tamed by the correct amount of fine persistent tannins and refreshing acidity. Very good for the vintage. (WS)
